Accommodations

The Martinstown, Memphis, and Unionville churches regret that we will only be able to provide overnight accommodations for our guest speakers. For our guests' convenience, there are a few restaurant options in Unionville, several dollar stores, and one excellent small-town grocery store. Centerville, IA is 20 minutes north of Unionville and has more restaurants and stores to choose from.

Unionville City Park

Unionville City Park is adjacent to the Putnam County Fairgrounds.

- The park has 45 campsites with electricity. Some sites have water and sewer available. For those who plan to camp in tents, restrooms with shower facilities will be available on-site. Campsites are first come, first served – the city does not accept reservations. PLEASE NOTE: the city park only allows campfires in “off the ground” fire pits provided by the guests.
- Campers are welcome to arrive as early as they want and stay as long as possible. For those who arrive early in the week, the church in Martinstown holds a Wednesday evening service at 7:00. Martinstown sits 15-20 minutes southeast of Unionville.
